

License Capacity Guide

Categories of ages are as follows:

1. **Infant** = 6 weeks up to 12 months (Infant age ends on first birthday)
2. **Toddler** = One year up to two years (toddler age ends on second birthday)
3. **Preschool** = Two years up to five years prior to starting kindergarten
4. **School Age** = Child is of an age when they are eligible to begin school within the next 90 days (May 10th prior to next school year a child is *eligible* to start Kindergarten) through age 12 (ends on thirteenth birthday). *A child is not considered school age if they celebrate their fifth birthday after September 1, until May 10th. After May 10th, five year olds - and four year olds who turn five before September 1st - are considered school age.*
5. **Disabled participants** = Any age over 13 can be claimed if the majority of participants in the child care facility are children. A doctor's statement must be on file for Disabled participant.
